As I write this we have 3 weeks ill the Melbourne reunion and all is just about in place to welcome members to a what will be exciting weekend. All the events have been taken up by members which is great and though the Golf day has only a small number those that are attending will enjoy the social event.

This edition will give you the final details for each day and there has been some adjustments to times and location of events, so please read it carefully. To those that have yet to decide to make the effort, I can assure you that the week end will be well justified in making the trip.

As Christmas has well and truly past and we are already eight weeks into the year you have to agree that aging moves swiftly, so don't procrastinate, do something constructive with your time, get to Melbourne. To those that have been in the wars since our last mag I hope you have recovered or are well on the way to recovery.

I won't harp on anymore I'll leave the following pages to do that.

See you in 3 weeks, whoops, 2 and a half now.....

Melbourne Freedom of Entry, 1971 with LCDR Don Coxon Leading the Band. Just about the whole ships company from Cerberus and visiting ships were on parade.

## Presidents Report

**John Widdicombe**

It's full steam ahead to Frankston. Hope everyone is looking forward to as much as I am.

As I have said before we are a unique lot and getting together is difficult as we all live so far apart, but we continue to do it and we do it well.

We must remain active and keep our regular Reunion physical contact going, and not fall into a word of mouth or social media syndrome.

Not many national organisations can boast the history, the total friendship and wonderful socialising that we have. Remaining active will also ensure our Association has a great future for newcomers and expansion.

There has been a lot of progress made in establishing the Association on a very solid base for exactly those reasons.

So, let's "show off" in Frankston and parade ourselves with pride and dignity, and let everyone see who we are and what we stand for.

Our thanks to our peninsular comrades (Errol and his band of merry music makers), for setting up what is going to be yet another great Reunion.

You know, to become a member of the RAN Band Association is worth joining the Navy for. Even better it's worth leaving the Navy for.

Enjoy Frankston.

## Treasurer Report

**Errol Hatch**

Deposits for the reunion are coming in at a great pace and touch wood, we will cover our costs for this busy weekend by the time all payments are received. There are still a few that have indicated that they are coming to send their Booking forms, but I've been told by many that the last 2 weeks before the reunion you get a flood of attendees.

This reunion has plenty of side events which we did on purpose as we did not want to leave anybody sitting around waiting for the major events to occur. The response has been excellent and the following pages will give you the full itinerary of the weekend.

On the general subs front, the statements I sent at the beginning of January prompted those that were in arrears but I still have a number of non-financial members. This is disappointing and once the reunion is out of the way it is a case of follow-ups to make sure they are happy to continue in the association. At the coming AGM I will table a full report for the 2015/16 year and provide projections for the current year so we have a good picture of the associations financial position.

For Now,

See you in a couple of weeks.

## Secretaries Report

**John Lennon**

With only 3 weeks to the well organised reunion the Melbourne committee informs me that there are still a lot of members who have indicated they are coming but have yet to submit their Booking Forms. Perfect weather, plenty of activities and mates you haven't seen for 10, 20, 30 or even 45 years will be there. For some it could be the last opportunity that they can make it to such a significant event. So, ring Errol and get down to Melbourne.

On the Secretary front, I look forward to presenting and chairing my first

AGM, and with the help of Ralph, John (Snr) and Errol we will provide you with all the happenings of the Association.

As part of our laws, positions become vacant and if anyone wants to nominate or be nominated for any position, it must be done by using the form at the back of this edition and sent to the address at the end of my report.

Nominations cannot be made from the floor, with the exception of no nominations being received for a position. Any

other business a member would like to bring up at the meeting needs to be in writing and sent to "The Secretary" RAN Band Association. PO Box 69, LYNBROOK. VIC. 3975

So, if your interested in being a part of the executive get your submission in. By the time you read this I will be on the road to Melbourne and I look forward to seeing members enjoy the Victorian Hospitality.

Regards,

John Lennon.

## Museum Prepares for the opening

Now back in the swing since the Christmas break Cerberus is a buzz with contractors working on all sorts of projects and the museum is no exception.

With tour parties visiting weekly the volunteers are kept busy with showing them around and preparing for all the new glass cabinets to be delivered in March. As to not intrude on the Navy Bands day at the museum some of the cabinets won't be delivered until after our visit but the Band section will be ready for the unveiling.

Memorabilia is starting to roll in and if you have something important that you want to donate to the museum we are more than happy to catalogue it and use in the display. The more we get the better we can coordinate it into the periods of our history. Not all items

can be displayed at the same time which is a good thing as we can keep the areas fresh by constant updating.

A new section apart from the Band room is starting to take shape also. It will be call the Lonsdale room after Captain William Lonsdale, and will contain special acquisitions from the Lonsdale family and memorabilia from HMAS Lonsdale who it was named after.

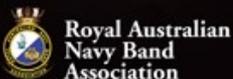

So there is plenty of things happening and we are looking forward to welcoming members on the 12th of March

The team at the Museum.

WE LOOK FORWARD TO SEEING YOU IN **MELBOURNE** IN 2017
